Glendora Youth Soccer 2010 Player Rating Form

Team: _____ **Division:** _____

Instructions for completing the form:

1. Give each player a Skills Rating from 1 to 5 in each category (1 = Lowest, 5 = Highest). *Rate your player in comparison to all the players in your division*, not just in comparison to the other players on your team.
2. Be objective in the area of Dribbling, Kicking, Passing and Endurance. Does the Player understand and know Strategy? Rules? Team Play?
3. Mark if the player is a goalie.
4. Rank up to 5 All Star Candidates
   - 1 for best player, 2 for second best, etc.
   - These rankings may or may not match up with the order of the Total skills scores.
   - Please rank at least 2 players and no more than 5. ***Please do not tell the players that you have chosen them as All Stars*** because the number of All Stars from each team will depend on the number of teams. Also, if a selected player is not going to be available to play in the game, we will go down the list to select an additional player. We do not want All Stars to know where they were on the list when they were selected.
