

GYS Minutes of July 1, 2009

- Hector/VP opened meeting at 7:35pm. K.C. is absent this week.
- 15 members present introduced themselves. Several are new members.
- Saul Pena and Peter Nardi were nominated and approved by those present.
- Hector mentioned a few items covered at the Sports council meeting. A major item was discussion on the cutback of approx 30% on watering the school fields. They have one repair person in the entire district. We should identify any issues or concerns. We could possibly fix something small but should at least let the school district aware of our intentions. Williams Elementary is scheduled to close next Sept so we may need to find a new field. John A. should be contacted for up to date information pertaining to fields.
- Hector mentioned our total registration of 1301 so far and should end up around 1350. Last year we had approx 1450. Steph has the particulars of each division and we have several divisions that will need to be combined. Steph suggested that those that did not sign up should be contacted to join late without a late sign-up fee. We need some more G11 to make a decent size division. Maybe we need to combine G11-12 if we cannot find enough G11. Jim & Todd will call as many as possible. The web page will be updated to announce late sign-ups at the Teen Ctr until July 15th. The list should be distributed to as many willing to make calls. If potential players call in, we need to contact them ASAP and give them the needed information on sign-ups.
- Steph has put together and passed out the list of potential coaches to contact. A few names are not eligible and will not be approved by the board to coach the 2009 season. These names will be distributed to division leaders and not the entire board.
- The calendar needs to be updated but a few confirmed dates are
- Board Meeting/stuff pkts Wed Aug 19 6:30pm Teen Ctr
- Uniform Meeting Thurs Aug 20 TBA

- The new price for web ads are now \$200ea as decided by the members present. No front home page is avail per our webmaster a previously discussed. He will also rotate the ads so it is fair to subscribers.
- Steph asked that we consider paying Wolfs 2 children \$40 for typing the player's names in the computer before going on vacation. The board appreciates their help and we will ask Wolf permission when he returns from his trip. Danny will issue an amt approved as we do for registration helpers.
- Carolyn will be looking for adult refs as usual. She reviewed some rules of who can ref and what ages will ref each age group. Training is a must and Carolyn will attempt to visually visit fields at random. She sometimes takes a day off and will not tell any of the refs working that sat. She has more time to visit fields on evening games.
- Several individual discussions took place without any official minutes.
- Todd mentioned the need to discuss dates for the finals games. We normally have a week or two of rain or some reason where we handle make-ups.
- E-mail updates will be presented by Hector. Meeting adjourned at 9pm.
